Software:

Adobe Creative Suite

(InDesign, Photoshop, Illustrator, Acrobat Professional)

Employment History

From: April 2007 to Present
Company: Auto Trader (Trader Media Group)
Position: Studio Designer

Imagination for Hire

I love a design I can sink my teeth into

Creating new artwork and amending existing adverts for customers specification using different styles and methods of design to reflect the various publications produced. Liaising with customers both internal, external, electronically and verbally. Working across all 3 sub sections of the magazines production department (Studio, Ad-make-up and Pagination) designing adverts, populating artwork with customers copy and pictures and creating the final pages to be printed.
